National Asian American Coalition is hosting a free event in your area. If you are a first-time homebuyer or if you are experiencing difficulties with your monthly mortgage payments, then this event is for you! We can review your options including programs that can lower your monthly payment or catch up on delinquent payments. This is a great opportunity to discuss your current situation face-to-face with NAAC housing counselors and bank representatives to explore solutions to your mortgage challenges.

**In order to make this meeting successful,
please bring along a copy of the following documents:**

- Two months of your most recent bank statements
- Supporting income documentation for each source of income

Acceptable Documents:

- Paystubs dated within the past 90 days that show 30 consecutive days of income
- Award letter or Pension Statement (if applicable)
- Proof of any other income
- Complete and signed copy of previous year's income tax return

Please RSVP:
