

Hope For North Carolina Families

Affected by Hurricane Florence?
Are you in need of housing, health or mortgage assistance?

Mortgage companies, United Way, HUD-approved non-profit housing counselors, and local partners are coming together to form a Disaster Recovery Assistance Center to lead families down the road to recovery.

Families attending this free event will be able to:

- Discuss options with their mortgage servicer
- Apply for assistance with a HUD-approved non-profit housing counselor
- Connect with vital free assistance programs
- Receive education to avoid scams and the rebuilding process
